DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

1. The reply filed 5/14/98 as paper no 18, is not fully responsive to the communication mailed 11/18/97 for the reason(s) set forth below:

The response states that the publications of Co et al (1992, J Immunology Vol 148 1149-1154) and Caron et al (1992, Cancer Research Vol 52 6761-6767) are attached to the response. The Examiner has been unable to find the references. Accordingly she is unable to consider their teachings with regard to applicant's response to the enablement rejection set forth under 35 U.S.C. 112, first paragraph. See page 20, first full paragraph of Paper no 18. Applicant is invited to submit the aforementioned supporting documents. The Examiner apologizes for any inconvenience if the attached documents were inadvertently misplaced by the office.

2. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME LIMIT MAY BE GRANTED UNDER 37 CFR 1.136(a).
3. Any inquiry concerning this communication should be directed to Examiner Julie E. Reeves, Ph.D., Art Unit 1642, whose telephone number is (703)308-7553. Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (703) 308-0196.

EXAMINER Julie E. Reeves, Ph.D.
